PROFILE

Passionate and creative UI/UX and Graphic Designer with a strong foundation in design thinking, visual storytelling, and hands-on experience using tools like Figma and Photoshop. Adept at crafting user-friendly interfaces and visually engaging designs that solve real-world problems. A recent graduate eager to apply user-centered design principles in a professional environment, contribute to a collaborative team, and continuously grow as a versatile design professional.

PROJECTS

EASY TRAVEL – UI/UX Travel Planner App
Tools Used: Figma

Designed a mobile application to help users discover tourist attractions, track travel expenses, and book hotels seamlessly. Focused on creating a user-friendly interface with clear navigation and interactive prototypes using user-centered design principles.

Home Service Application Design
Tools Used: Figma

Created a user interface design for a home service booking app that connects users with local professionals for services like plumbing, cleaning, and electrical work. Emphasized simplicity and easy booking flow to improve user experience and engagement.

EDUCATION

Bachelor of Commerce   2022 - 2025
Agurchand Manmull Jain College
GPA: 7.26/ 10
